Recreational Ponds,
Horses, Livestock, Birds,
Pets, Fish, Wildlife and
the Environment.

**Treats Like
ONE Gallon!**

Treats One Acre, 4' - 6' deep
Net Contents: 32 fl oz • 946 mL

Why is **Twilight Blue™** so important for ponds?

Twilight Blue Pond Dye is formulated to provide ponds with a blackish-blue appearance. One single quart of Twilight Blue will treat up to one surface acre 4'-6' deep, for several months, depending on rainfall. Twilight Blue should be used all year long.

Tw Twilight Blue Pond Dye

HOW TO APPLY: Simply pour Twilight Blue in several spots along the pond's edge – no mixing required. One single quart of Twilight Blue is equivalent to one gallon of other diluted pond and lake colorants.

WHEN TO APPLY: For year-long beauty, apply in early spring. Water temperature has no effect on Twilight Blue and should be applied monthly or as needed to maintain a blackish-blue appearance all season long. Heavy rain and/or intense sunlight may require additional treatments of pond dye.

QUICK DOSE CHART

Use 1–2 quarts per surface acre, 4–6 ft. deep, every 4–8 weeks or as needed.

4X CONCENTRATED!

1 Quart Treats Like 1 Gallon

WATER USE RESTRICTIONS:

Twilight Blue may be applied to lakes and ponds used for irrigation and aquaculture. Water treated with Twilight Blue may be used for recreation, fishing and other activities immediately after treatment. Safe for recreational ponds, horses, livestock, birds, pets, fish, wildlife and the environment. *Do not apply to water that will be used for human consumption.*

STORAGE AND HANDLING:

Keep product in original container and closed when not in use. Store in a cool, dry place. Do not allow it to freeze. Wear rubber gloves when handling. Avoid contact with skin, eyes and clothing. Wash with soap and water after use. If ingested in large amounts, induce vomiting. For small cleanups and surface stains, use a diluted bleach solution.

ATTENTION:

Failure to use as directed, or sudden changes in water conditions not consistent with label, may result in the loss or injury of aquatic life. Airmax, Inc. is not responsible for any loss of aquatic life.
